

Leave Your Legacy

VOLUNTEER AT LEGACY PARK

Thank you for your interest in volunteering at Legacy Park.

Whether you're looking to join a work day, assist with an event, remove invasive plants, pick up trash, tackle some planting beds, adopt an area of the park, or embark on a project of your own invention, we welcome you.

We're Legacy Decatur, a 501(c)(3) operating in partnership with the City of Decatur to manage Legacy Park. Among our responsibilities, we help facilitate community volunteering opportunities across the property.

For individuals and groups who volunteer with upkeep, we provide trash bags, leaf bags, pine straw, plants and seeds as needed. You bring the work gloves and yard tools.

Regardless of how you'd like to contribute, get in touch and let's get a conversation going.
